TOTAL HOURS FOR DEGREE

128

Other requirements to be satisfied (see Core Curriculum and Degree Information sections of catalog 126)

Residency requirement

36 hours of 300- and/or 400-level course work successfully completed in residence at TAMU

Foreign language requirement

two units of the same foreign language in high school or one year in college or demonstrate proficiency by examination

International and cultural diversity requirement

6 hrs., chosen from a list of approved courses, many of which also satisfy other core curriculum requirements

Writing intensive course requirement

at least one course in the major

NOTES

1. Visual and performing arts elective to be selected from the University Core Curriculum.
2. Communication elective to be selected from the University Core Curriculum.
3. To be selected in consultation with faculty academic advisor from AGECE 350; ECON 203, 323, 412, 435; GEOG 406; PLAN 365, 414; POLS 329, 331, 340, 342, 347, 440; RENR 420; SOCI 312, 328.
4. Select from HIST 359, 360, 363, 364.
5. Select from PHIL 205, 314.
6. Select geoscience electives from ATMO, GEOG, GEOL, GEOP, GEOS, OCNG courses in consultation with faculty academic advisor.
