

Proposed Minor Field Requirements

Students of other disciplines choosing to complete a minor in Geography must meet the following requirements:

Take a minimum of 16 hours of Geography coursework of which 7 hours are required.

- GEOG 201/Human Geography 3 hours
- GEOG 203/Planet Earth, Physical Geography* 4 hours

***Please note:** If you have taken GEOG 203 at a junior/community college (GEOG 1301/lecture portion only), you will need to take GEOG 213 (lab) to complete the requirement.

The remaining 9 hours must include 6 hours of upper-division courses (300-400 level) of which 3 hours must be at the 400 level.

A minimum of 6 hours must be taken in residence at either Texas A&M University/College Station or Galveston.

A minimum cumulative GPR of 2.0 must be achieved for all courses in the minor.

6 hours can be chosen from this list of courses:
